Donor Privacy Policy

City Union Mission is committed to respecting the privacy rights of all visitors to our web site, all donors who mail financial donations, all donors of material donations and all who mail us inquiries of any kind. The following outlines our privacy policy and details the measures we have taken to safeguard and protect your privacy. Information you provide to us is understood to be in agreement with the policies detailed below.

What information does City Union Mission collect?

City Union Mission collects and stores your personal information collected when you make an online donation, sign up for a recurring credit card or Electronic Funds Transfer (EFT) gift, purchase a City Union Mission book, inquire about volunteer opportunities, sign up to receive our e-newsletter, or sign our guest book or from all mailed correspondence. When creating a record for you, we ask you for your first and last name, your mailing address and e-mail address. If you are placing an order or making a contribution we will also ask you for payment information.

What does City Union Mission do with your personal information?

Your information is used to process orders and accept gifts. It is also used to print receipts that we send to you after you have made a donation.

Does City Union Mission share any personal information it collects with outside parties?

City Union Mission does not sell or share any personal information. We also do not send mailings on behalf of other organizations.

Does City Union Mission safeguard my personal information?

City Union Mission has implemented a variety of security measures to maintain the safety of your personal information. Your personal information is contained behind a secure network and is only accessible by a limited number of employees who have special access rights. All sensitive/credit information supplied by you when making donations to our website is transmitted via Secure Socket Layer (SSL) technology and securely stored. Our service provider maintains physical, electronic and procedural safeguards that comply with federal standards to guard your nonpublic personal information, including the prompt disposal of all unnecessary customer information.
